**Carpenter, Cammack & Associates Named Associated Builders And Contractors  
Of The Carolinas Associate Member Of The Year**  
*National Builder Organization  
Recognizes Commercial Insurance Agency*

Charlotte, N.C. –Tom Carpenter, chief operating officer of Carpenter, Cammack & Associates, Inc., has announced that the firm has been named the Associated Builders and Contractors of the Carolinas (ABCC) Associate Member of the Year for 2006. The firm received the award based on peer nominations for their contributions to the industry and to ABCC. The award was presented during the Carolinas Construction Conference at the Dixon Hughes Awards Dinner and Dance on Saturday, July 22 at The Renaissance Hotel in Asheville, N.C.

"It is an honor to receive this award from such a prestigious organization as ABCC," said Carpenter. "We are proud to serve the building and contracting industries. This award reflects the hard work and knowledge of our staff as well as their dedication to serving these industries."

About Carpenter, Cammack & Associates, Inc.:

Carpenter, Cammack & Associates, Inc. is a full service commercial insurance agency specializing in insurance and risk management services. The firm, headquartered in Charlotte, North Carolina and founded in 1992 by Thomas Carpenter and Chris Cammack, offers a complete range of commercial insurance products including general liability, worker's compensation, commercial property, and much more. With offices in Charlotte, Raleigh, Fayetteville, and Greensboro, the firm provides commercial insurance products and risk management support to businesses throughout the Southeastern United States. For more information, please call 1-800-968-1631 or visit the Web site at <http://www.ccainsurance.com>.

About Associated Builders and Contractors of the Carolinas:

Associated Builders and Contractors is a family of contractors, suppliers, and industry professionals seeking to promote and improve the image of construction and address the many issues facing the industry. The Carolinas Chapter together with 23,500 member firms nationally, promote equality amongst construction managers, general contractors, specialty contractors, suppliers, and industry professionals. With one voice our members seek to improve the construction industry as a whole. For more information, visit <http://www.abccarolinas.org>.
